- same day rental;
- hotel and airport delivery/collection;
- flexible terms and payment options for long term rental;
- “commission free” rental;
- 24/7 telephone contact;

We offer a varied fleet of cars, ranging from the compact Toyota Yaris to 7-seaters, and SUVs. All our vehicles have air conditioning, power steering, electric windows. All our vehicles are bought and maintained at official dealerships only. Automatic transmission cars are available in every booking class.
